

THE RACE OF AI

- The race of AI TALENT
- The race of AI INFRASTRUCTURE

Rene Indiarjo Widjaja
President Director | CEO
PT. Epsindo Prima Sinergi

- Where are we now ?
- What other countries have done & have been doing ?
- What should we do, what need to be done to develop AI Infrastructure in Indonesia ?

AI INFRASTRUCTURE

Public Cloud vs On Premises

NATIONAL AI INFRASTRUCTURE

- *AI Center of Excellence at some Universities*
- *National AI Center*

COLLABORATIVE • UNIVERS
INNOVATIVE • C

NATIONAL AI CENTER

**On Premises & based on Open Source to support
BPPT Private Cloud,
serving :**

- Government (other ministries)
- Research Institutions (BPPT, Eijkman, LIPI, etc)
- Start Up/Incubator companies
- Education (University, High School/Vocational School-SMK)

NATIONAL AI CENTER

GPU Private Cloud Computing

- Roadmap computing power
- GPU roadmap
(projection of PetaFLOPS needed)
- Scalability & proven Reference Architecture
- Rapid Deployment
- Integrated Support

The essence is speed & execution
JUST DO IT !!!

THANK YOU
